**County of Los Angeles**  
**Sheriff's Department Headquarters**  
4700 Ramona Boulevard  
Monterey Park, California 91754-2169

The Honorable Board of Supervisors  
County of Los Angeles  
343 Kenneth Hahn Hall of Administration  
Los Angeles, California 90012

Dear Supervisors:

**RENEWAL OF (SCHOOL RESOURCE DEPUTY PROGRAM) SUPPLEMENTAL LAW  
ENFORCEMENT SERVICES AGREEMENT BETWEEN THE LOS ANGELES  
COUNTY SHERIFF'S DEPARTMENT AND VARIOUS SCHOOL DISTRICTS  
(ALL DISTRICTS) (3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Chair of the Board to sign the service agreement contracts with the various school districts in Los Angeles County to provide supplemental law enforcement services (School Resource Deputy Program), which will be effective upon the Board's execution through June 2012; and authorize the Los Angeles County Sheriff's Department (Department) to exercise the option of executing any additional agreements with other school districts within the term of these agreements.
2. Delegate authority to the Department to execute any subsequent amendments to the agreement that do not increase the net County cost of providing the service.
3. Authorize the Department to enter into future contracts, identical to the enclosed agreement, for current contracts which do not expire this year, thereby formatting all School Resource Deputy Program contracts to expire concurrently on June 30, 2012.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to renew contracts for supplemental law enforcement services to the various school districts in Los Angeles County through June 2012.

*A Tradition of Service*

The School Resource Deputy Program has been in place for several years and has grown from a daily rate program to an annual rate program requiring the Board's approval. Sixteen (16) school districts currently participate in the School Resource Deputy Program. The program includes one (1) sergeant, one (1) bonus deputy, and (36) deputy sheriffs from 10 different patrol stations. This request serves to renew the existing program and will have no impact on current unincorporated area services.

Thirteen (13) of the 16 contracts, for school districts currently participating in the program, will expire at the end of June 2007. Of the three remaining contracts, two are scheduled to expire in June 2008, and the third will expire in June 2011. By entering into this agreement, your Board will renew the 13 contracts which are set to expire in June 2007 and authorize the Sheriff to enter into identical contracts, as those attached, for the remaining three contracts. The remaining three contracts will be renewed upon their expiration and will include expirations dates of June 2012, bringing their expiration dates concurrent with the other contracts, thus creating a uniform expiration date for all 16 contracts.

#### Implementation of Strategic Plan Goals

This agreement conforms with the following Los Angeles County Strategic Goal Plans; **Goal 1**, Service Excellence, by opening avenues of communication between the school district administration, faculty, student body and the Department; **Goal 2**, Workforce Excellence, by enabling the deputies to develop expertise in a unique environment and provide a trained resource to handle problems unique to school campuses; **Goal 3**, Organizational Effectiveness, by utilizing deputies to provide programs to help thwart school violence and engage in training to address major occurrences on campus, and provide security for a safe learning environment; and **Goal 8**, Public Safety, as deputies coordinate and train with the patrol stations, fire departments, and school administrators on a regular basis to prepare for a number of possible disasters including natural disasters, campus violence, and terrorism.

#### **FISCAL IMPACT/FINANCING/LEGAL REQUIREMENTS**

None. Under the terms of the agreement, the school districts of Los Angeles County shall pay the Department for the services at the prevailing annual personnel rates determined by the Auditor-Controller pursuant to the policies adopted by your Board. The school districts pay for the time and resources spent providing the above services to their campuses.

The Honorable Board of Supervisors  
June 19, 2007  
Page 3

The Fiscal Year 2007-08 aggregate estimate for the program is \$5,602,695.30. These revenues will be collected from the school districts in the form of monthly payments that are equivalent to one-twelfth (1/12) of the annual contract cost.

### **FACTS AND PROVISIONS**

The participating school districts of Los Angeles County desire to continue with their School Resource Deputy Program. The initial term of the agreement is five (5) years. The contract has a renewal option with the approval of your Board, the Department, and the School Districts. The billing rates are subject to change on July 1 of each year, pursuant to any cost adjustments determined by the Auditor-Controller.

The agreements have been approved as to form by County Counsel. The attached contract analysis is in accordance with the Board of Supervisors' policy and has been approved by the Auditor-Controller and the Chief Administrative Office.

### **CONTRACTING PROCESS**

Not applicable.

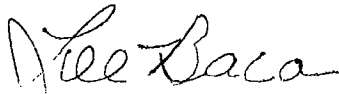

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

None. This is a renewal of the School Resource Deputy Program which has grown from a daily rate deputy program to an annual rate program, requiring the Board's approval. A total of 16 school districts currently participate in the School Resource Deputy program, involving 10 of the Department's patrol stations.

### **CONCLUSION**

Upon approval by your Board, please provide two (2) certified copies of the Board-adopted letter, and the signed agreements, to the Department's Contract Law Enforcement Bureau, Captain Edward Rogner.

Sincerely,

LEROY D. BACA  
SHERIFF

1.2 Except as otherwise specifically set forth in this Agreement, law enforcement services shall encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff of the County of Los Angeles under the Charter of the County and the statutes of the State of California, and the Sheriff has agreed to provide additional law enforcement services, including but not limited to: patrolling campus grounds, facilities, and parking lots at the direction of the District and the Sheriff's Department.

1.3 No addition or variation of the terms of this Agreement shall be valid unless made in writing by both parties.

## **2.0 ADMINISTRATION OF PERSONNEL**

2.1 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.2 In the event of a dispute between the parties to this contract as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the District shall be consulted and a mutual determination thereof shall be made by both the Sheriff of the County and the District.

2.3 With regard to sections 2.2 and 2.3, the Sheriff, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 All District employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the District and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No District employee as such shall become employees of the County unless by specific additional agreement in the form of a merger contract which must be concurrently adopted by the District and County.

2.5 For the purpose of performing services and functions, pursuant to this agreement and only for the purpose of giving official status to the performance thereof, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the District while performing such service for the District, as long as the service is within the scope of this agreement and is a municipal function.

2.6 The contracting District shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said District. Except as herein otherwise specified, the District shall not be liable for compensation or

indemnity to any County employee or agent of the County for injury or sickness arising out of his/her employment as a contract employee of the District.

2.7 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this contract be read and understood to prohibit discrimination on the basis of sexual orientation.

### **3.0 DEPLOYMENT OF PERSONNEL**

3.1 Law enforcement services performed hereunder may include, as requested by the District, dedicated school resource deputy personnel, dedicated supervision, or dedicated civilian support staff.

3.2 Services performed hereunder and specifically requested by the District shall be developed in conjunction with the Sheriff and indicated on a Los Angeles County Sheriff's Department SH-AD 575 SD - School District Law Enforcement Services form (Attachment A).

3.3 A new SH-AD 575 SD - School District Law Enforcement Services form shall be authorized and signed annually by the District and the Sheriff or his designee each July 1, and attached to this contract as an amendment to the level of service and the contract sum.

3.4 Should the District request a change in level of service other than pursuant to the annual renewal, an additional SH-AD 575 SD - School District Law Enforcement Services form shall be signed and authorized by the District and the Sheriff or his designee and attached to this contract as an amendment to the level of service and the contract sum.

3.5 The most recent dated and signed SH-AD 575 SD - School District Law Enforcement Services form attached to this contract shall be the staffing level in effect between the County and the District.

3.6 The District is not limited to the foregoing services indicated in Attachment A, but may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide.

#### **4.0 PERFORMANCE OF CONTRACT**

4.1 For the purpose of performing said functions, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the District may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this contract concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the District which would not normally be provided by the Sheriff, the District shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the District regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said District, such quarters may be used by the Sheriff of the County of Los Angeles in connection with the performance of his duties in territory outside of the District, provided, however, that the performance of such outside duties shall not be at any additional cost to the District.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said District, the same shall be supplied by the District at its own cost and expense.

#### **5.0 INDEMNIFICATION**

5.1 Neither party hereto shall be liable for any damages proximately resulting from the negligent or wrongful acts or omissions of the other party's employees or agents in the performance of this Agreement. Each party shall indemnify, defend, and save harmless the other party, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with either party's

operations, or services hereunder, including any worker's compensation suits, liability, or expense, arising from or connected with services by any person pursuant to this Agreement. If liability is imposed pursuant to Section 830, et seq., of the Government Code, by reason of a dangerous condition of public property of the District, the District shall assume liability and defend and hold the County, its officers, employees and agents harmless from any action, loss, costs, or expenses caused by any condition of the District property and any negligent or wrongful act or omission of District officers, agents and employees, in any way connected with such condition of the District property.

5.2 Without limiting the District's indemnification of the County, the County shall provide and maintain a program of liability insurance, consisting of self-insurance, providing Comprehensive General Liability and Comprehensive Auto Liability insurance. The current rate for this liability insurance is 3% of the total gross billing.

#### **6.0 TERM OF CONTRACT**

6.1 Unless sooner terminated as provided for herein, this agreement shall be effective July 1, 2007 and shall remain in effect until June 30, 2012.

6.2 At the option of the Board of Supervisors and with the consent of the District Representative, this agreement may be renewable for successive periods not to exceed three years each.

#### **7.0 RIGHT OF TERMINATION**

7.1 Either party may terminate this agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the District may terminate this agreement upon notice in writing to the County given within sixty (60) days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this agreement shall terminate sixty (60) calendar days from the date of the District's notice to the County.

7.3 This agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least 180 days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and each party shall be released from all obligations, which would otherwise accrue subsequent to the date of termination.

## **8.0 CONTRACT SUM**

8.1 The District shall pay for the services provided under the terms of this service agreement at the rate established by the Auditor-Controller.

8.2 The rates indicated in the SH-AD 575, SD - School District Law Enforcement Services form shall be readjusted by the County Auditor-Controller annually effective July 1st of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rate as adopted by the Board of Supervisors of County.

8.3 The District shall be billed based on the service level provided within the parameters of the SH-AD 575, SD - School District Law Enforcement Services form.

8.4 The cost of other services requested pursuant to this agreement and not set forth in the SH-AD 575, SD - School District Law Enforcement Services form shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the Board of Supervisors of County.

## **9.0 PAYMENT PROCEDURES**

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) days after the date of the invoice, the County is entitled to recover interest thereon.

9.4 Notwithstanding the provisions of Government Code Section 907, if such payment is not delivered to the County office which is described on said invoice within sixty (60) days after the date of the invoice, the County may satisfy such indebtedness, including interest thereon, from any funds of the District on deposit with the County without giving further notice to District of County's intention to do so.

1.3 No addition or variation of the terms of this Agreement shall be valid unless made in writing by both parties.

## **2.0 ADMINISTRATION OF PERSONNEL**

2.1 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.2 In the event of a dispute between the parties to this contract as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the District shall be consulted and a mutual determination thereof shall be made by both the Sheriff of the County and the District.

2.3 With regard to sections 2.2 and 2.3, the Sheriff, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 All District employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the District and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No District employee as such shall become employees of the County unless by specific additional agreement in the form of a merger contract which must be concurrently adopted by the District and County.

**1.0 CONTRACT AUTHORIZATION**

1.2 Except as otherwise specifically set forth in this Agreement, law enforcement services shall encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff of the County of Los Angeles under the Charter of the County and the statutes of the State of California, and the Sheriff has agreed to provide additional law enforcement services, including but not limited to: patrolling campus grounds, facilities, and parking lots at the direction of the District and the Sheriff's Department.

1.3 No addition or variation of the terms of this Agreement shall be valid unless made in writing by both parties.

## **2.0 ADMINISTRATION OF PERSONNEL**

2.1 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.2 In the event of a dispute between the parties to this contract as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the District shall be consulted and a mutual determination thereof shall be made by both the Sheriff of the County and the District.

2.3 With regard to sections 2.2 and 2.3, the Sheriff, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 All District employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the District and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No District employee as such shall become employees of the County unless by specific additional agreement in the form of a merger contract which must be concurrently adopted by the District and County.

2.5 For the purpose of performing services and functions, pursuant to this agreement and only for the purpose of giving official status to the performance thereof, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the District while performing such service for the District, as long as the service is within the scope of this agreement and is a municipal function.

## **2.0 ADMINISTRATION OF PERSONNEL**

2.1 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.2 In the event of a dispute between the parties to this contract as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the District shall be consulted and a mutual determination thereof shall be made by both the Sheriff of the County and the District.

2.3 With regard to sections 2.2 and 2.3, the Sheriff, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 All District employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the District and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No District employee as such shall become employees of the County unless by specific additional agreement in the form of a merger contract which must be concurrently adopted by the District and County.

2.5 For the purpose of performing services and functions, pursuant to this agreement and only for the purpose of giving official status to the performance thereof, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the District while performing such service for the District, as long as the service is within the scope of this agreement and is a municipal function.

2.6 The contracting District shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said District. Except as herein otherwise specified, the District shall not be liable for compensation or

indemnity to any County employee or agent of the County for injury or sickness arising out of his/her employment as a contract employee of the District.

2.7 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this contract be read and understood to prohibit discrimination on the basis of sexual orientation.

### **3.0 DEPLOYMENT OF PERSONNEL**

3.1 Law enforcement services performed hereunder may include, as requested by the District, dedicated school resource deputy personnel, dedicated supervision, or dedicated civilian support staff.

3.2 Services performed hereunder and specifically requested by the District shall be developed in conjunction with the Sheriff and indicated on a Los Angeles County Sheriff's Department SH-AD 575 SD - School District Law Enforcement Services form (Attachment A).

3.3 A new SH-AD 575 SD - School District Law Enforcement Services form shall be authorized and signed annually by the District and the Sheriff or his designee each July 1, and attached to this contract as an amendment to the level of service and the contract sum.

3.4 Should the District request a change in level of service other than pursuant to the annual renewal, an additional SH-AD 575 SD - School District Law Enforcement Services form shall be signed and authorized by the District and the Sheriff or his designee and attached to this contract as an amendment to the level of service and the contract sum.

3.5 The most recent dated and signed SH-AD 575 SD - School District Law Enforcement Services form attached to this contract shall be the staffing level in effect between the County and the District.

3.6 The District is not limited to the foregoing services indicated in Attachment A, but may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide.

#### **4.0 PERFORMANCE OF CONTRACT**

4.1 For the purpose of performing said functions, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the District may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this contract concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the District which would not normally be provided by the Sheriff, the District shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the District regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said District, such quarters may be used by the Sheriff of the County of Los Angeles in connection with the performance of his duties in territory outside of the District, provided, however, that the performance of such outside duties shall not be at any additional cost to the District.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said District, the same shall be supplied by the District at its own cost and expense.

#### **5.0 INDEMNIFICATION**

5.1 Neither party hereto shall be liable for any damages proximately resulting from the negligent or wrongful acts or omissions of the other party's employees or agents in the performance of this Agreement. Each party shall indemnify, defend, and save harmless the other party, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with either party's

operations, or services hereunder, including any worker's compensation suits, liability, or expense, arising from or connected with services by any person pursuant to this Agreement. If liability is imposed pursuant to Section 830, et seq., of the Government Code, by reason of a dangerous condition of public property of the District, the District shall assume liability and defend and hold the County, its officers, employees and agents harmless from any action, loss, costs, or expenses caused by any condition of the District property and any negligent or wrongful act or omission of District officers, agents and employees, in any way connected with such condition of the District property.

5.2 Without limiting the District's indemnification of the County, the County shall provide and maintain a program of liability insurance, consisting of self-insurance, providing Comprehensive General Liability and Comprehensive Auto Liability insurance. The current rate for this liability insurance is 3% of the total gross billing.

## **6.0 TERM OF CONTRACT**

6.1 Unless sooner terminated as provided for herein, this agreement shall be effective July 1, 2007 and shall remain in effect until June 30, 2012.

6.2 At the option of the Board of Supervisors and with the consent of the District Representative, this agreement may be renewable for successive periods not to exceed three years each.

## **7.0 RIGHT OF TERMINATION**

7.1 Either party may terminate this agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the District may terminate this agreement upon notice in writing to the County given within sixty (60) days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this agreement shall terminate sixty (60) calendar days from the date of the District's notice to the County.

7.3 This agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least 180 days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and each party shall be released from all obligations, which would otherwise accrue subsequent to the date of termination.

## **8.0 CONTRACT SUM**

8.1 The District shall pay for the services provided under the terms of this service agreement at the rate established by the Auditor-Controller.

8.2 The rates indicated in the SH-AD 575, SD - School District Law Enforcement Services form shall be readjusted by the County Auditor-Controller annually effective July 1st of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rate as adopted by the Board of Supervisors of County.

8.3 The District shall be billed based on the service level provided within the parameters of the SH-AD 575, SD - School District Law Enforcement Services form.

8.4 The cost of other services requested pursuant to this agreement and not set forth in the SH-AD 575, SD - School District Law Enforcement Services form shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the Board of Supervisors of County.
